**21<sup>5</sup>** is an attractive and inspiring exhibition in Galerie Agnes Raben in Vorden, the Netherlands. It shows designs by recently graduates, students, alumni and teachers of the **Applied Art and Design (AAD)** department from the **Peter Behrens School of Arts (PBSA)** at the **Hochschule Düsseldorf (HSD)**. The exhibited pieces concern jewellery, products and objects (both functional and not functional) and autonomous sculptures. The works are made in a wide variety of techniques and materials; from analogue handmade work at the bench to computer-controlled and 3D digital printing techniques. Conceptual form development processes and research are at the basis of the exhibited objects.

You and your friends are very welcome at the opening of the exhibition on Sunday November 4th at 3 pm. Doors open at 2.30 pm. Please let us know by email if you will be present: [agnes@galerieagnesrabens.nl](mailto:agnes@galerieagnesrabens.nl)
